1 Repository Evidence

1.1 Public GitHub Repository Link

Repository URL: https://github.com/marksamfd/MLopsAssignment

1.2 Successful Actions Run Screenshot

Insert a screenshot of the green workflow run from the GitHub "Actions" tab.

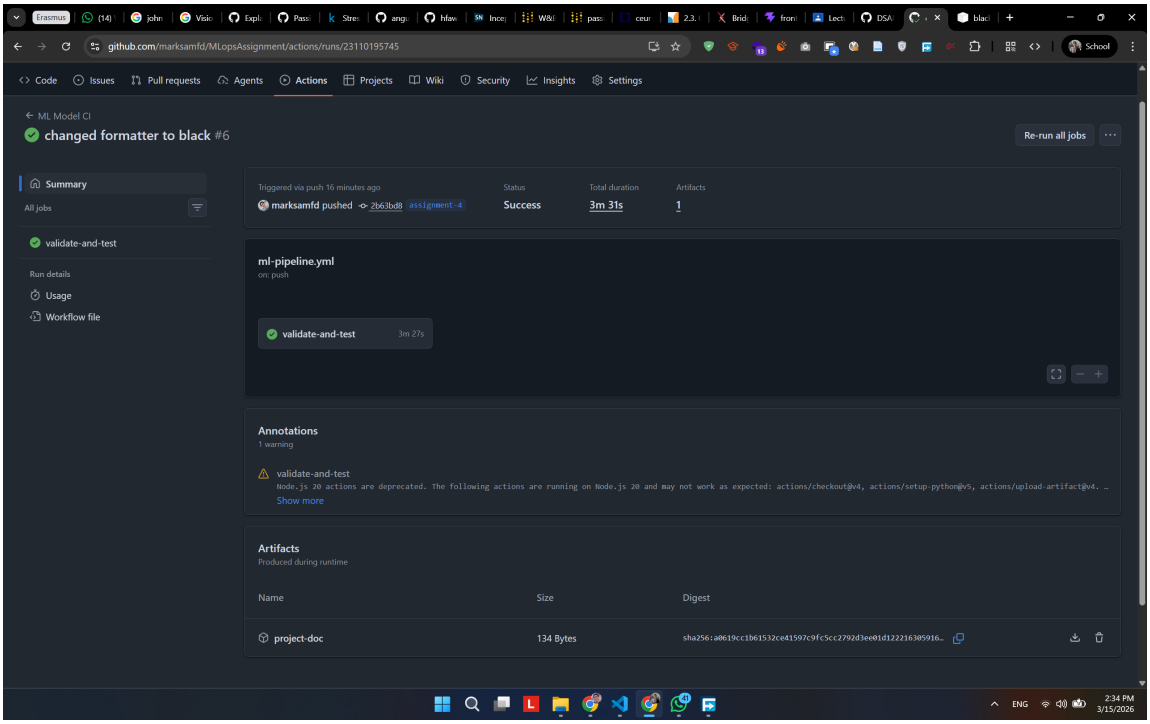

Figure 1: Successful GitHub Actions run (green status).

2 Bug Inventory in YAML File

For each bug, use one subsection with the template below.

2.1 Bug 1: File indentation

- **Observed Problem:** all of file's indentation was not correct

2.2 Bug 2: Repository Checkout was missing

- **Observed Problem:** the CI job couldn't find requirements.txt
- **Fix Applied:** added action/checkout

2.3 Bug 3: Linter Check job

- **Observed Problem:** it had no script or workflow to run
- **Fix Applied:** added script to install black and check for linting errors

3 Final Validation

- #6 run as successful workflow.
- All jobs successfully
- Readme file is uploaded to artifacts
